Dear Jeff and Corporate Coffee Team

Re: Hire of coffee machines during the Australian Open 2010

I would personally like to thank you for your assistance and cooperation with the hiring of the vending coffee machines for three weeks during this huge event here at Melbourne Park.

The beverages being produced were of a great quality and the media, players and staff were impressed and satisfied with the efficiency and taste of the product.

I really appreciate your cooperation and willingness to hand deliver products and come on site for maintenance of the machines.

I look forward to working with you in the future.

Thanks again,

Yours sincerely

Cassie Knight
